

Letter of resignation for Matthew Thompson: SAP # 39088

Polk County Board of Education
1915 South Floral Avenue
Bartow, FL 33830

To Whom It May Concern:

This is Matthew Thompson writing in concerns to my current position at George Jenkins High School serving as a full-time teacher, Head Football Coach and Head Weightlifting Coach. I want to use this letter to officially serve as my resignation for these positions due to current circumstances.

I am in no way, shape or form conceding the allegations that I have been charged with by submitting this letter; I merely believe that it is in the best interest of both myself and the Polk County Board of Education to officially resign. It has been an honor to work for such an outstanding school as George Jenkins High School.

Again, I am officially resigning from my positions within the Polk County Board of Education effective immediately by submitting this letter. Thank you.

Cordially,

Matthew Thompson
